

# KLAMATH CHAMBER NEWS!

## A message from the President

Happy St. Patrick's Day. On February 22 there was a grand opening at the new airport terminal in Crescent City. It is a large, state of the art facility that can accommodate a lot more travelers. Our Congressman Jared Huffman along with other dignitaries were there to help celebrate the grand opening. The next time you are in town and if you have time, it is worth going to see. With most of the rain behind us, and the new tourist season on the horizon. We all need to start getting our businesses ready. Our new website has had a minor setback and our new time line will be in April. If you would like to advertise your business on the site, please give me a call or drop me an email.

It has come to my attention that individuals in the area that are not members of the Klamath Chamber of Commerce have made unfounded accusations. I want all members to know that they are welcome to attend any of our monthly meetings to address any concerns they may have.

Just a reminder that our next meeting is on March 12 @ 6 pm at the community center.

Hello Again As you can see it is that time when we nominate a special individual or couple, that you think needs to be recognized for their outstanding commitment to helping out in the community and show them that what they do is so appreciated and does not go unnoticed.
