

A message from the President

April is here and spring is in the air. Hopefully the rain is over and we can all start getting our businesses ready for the tourist season. I went to a meeting with the Yurok tribal Chairman, Klamath Fire and County Supervisors Bob Berkowitz and Roger Gitlin. We discussed several topics including how to help Klamath fire to recruit more fire personnel and repair their equipment, the removal of the dams on the river and the Salmon Festival. I also made a presentation to the Del Norte county Supervisors during their March 26 meeting, where I highlighting some of the left over monies from the other fire departments budgets in the county, and requested to have some of these monies reallocated to Klamath Fire. I'm in the process of putting an agenda together for the upcoming meeting to properly address our concerns for our fire department. The grill at the Country Club Bar is changing hands. Kenny is retiring on March 31 and Tim Lesondek is taking over. He has some great new ideas for the grill which include accepting credit cards.

Our next meeting is on April 9, 2019 at 6 pm at the Community Center.
