

# Klamath Chamber News!

## Greetings

Now that May is here and the rains have finally stopped, we can get to work on the outside projects that have been waiting patiently to be tackled over the winter months. The chamber is excited to announce that we are launching not one but two new web sites on June 1<sup>st</sup>. They are [KlamathChamber.com](http://KlamathChamber.com) and [VisitKlamath.com](http://VisitKlamath.com). The Klamath Chamber web site will have all the usual items like our bylaws, current board members, newsletters, and member directory. You will be able to see current and several previous newsletters. The Visit Klamath web site will have information that will include our member directory with phone numbers and things to do here. We will also be able to link our member's web site to it. If you do not have a web site, for a nominal fee we will host a web page for you. It is going to be linked to the state and other web sites for even greater exposure. If you have not paid your member dues, please do so by May 15<sup>th</sup> to be included on the web sites.

Our next meeting is at 6 pm on May 14<sup>th</sup> at the community Center

Hello Again As you can see it is that time when we nominate a special individual or couple, that you think needs to be recognized for their outstanding commitment to helping out in the community and show them that what they do is so appreciated and does not go unnoticed.

I would like to Nominate \_\_\_\_\_
