

Klamath Chamber News

Greetings,

Now that the sun is finally shining and our businesses are cranking up for the summer. Along with our fair weather projects. Our new websites are up and running. Please go to klamathchamber.com and visitklamath.com and take a look at them. We are also in need of all our businesses to send us a short message about your business along with your web site so we can include you on the new sites. If you don't have a site, we can make one for you for a small fee and include it. Also if you haven't paid your dues yet, I encourage you to do so. Your inclusion on the web site is included with your dues.

We also are looking for 10 volunteers to help with the veteran's breakfast the day of the salmon festival. Please contact me if you can help.

Our next meeting is on June 11th at the community center at 6pm.

Have a great month
